PROFESSIONAL SUMMARY

Motivated Bachelor of Computer Applications (BCA) student seeking an entry-level opportunity in IT support, network support, or a related technical role. Familiar with basic Python programming, web technologies, and database fundamentals, while actively learning computer networking concepts including network models, protocols, IP addressing, routing, and switching. Eager to apply classroom knowledge, build hands-on troubleshooting skills, learn industry tools, and contribute to a team-oriented IT environment.

EDUCATION

Bachelor of Computer Applications (BCA)
Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur, Uttar Pradesh | 2024-2027
CGPA: 7.2
Intermediate (Class XII) — UP Board
Uttar Pradesh | 2024
Percentage: 85%

TECHNICAL SKILLS

Computer Networking (Currently Learning): OSI Model, TCP/IP Model, LAN, MAN, WAN, network topologies, TCP/UDP, HTTP/HTTPS, DNS, DHCP, IPv4/IPv6, IP addressing, subnetting, MAC address, ARP, routing and switching fundamentals.
Networking Devices: Routers, switches, hubs, and modems.
Programming: Python (Basic).
Web Technologies: HTML5, CSS3, and JavaScript.
Database: MySQL (Basic).
Operating Systems: Windows; currently learning Linux command-line basics.

PROJECTS

Personal Portfolio Website | HTML, CSS

- Created a personal website to showcase profile details, technical skills, education, and contact information.
- Organized content into clear sections with simple navigation and a clean, user-friendly layout.
- Focused on presenting information clearly and making the site usable across common screen sizes.

Local Job Hiring Portal | Web Project

- Worked on a web-based project concept intended to connect local job seekers with nearby employment opportunities.
- Planned a simple interface for browsing local job listings and helping users discover relevant opportunities.
- Focused on usability for people looking for accessible, location-relevant job information.

Before applying, ensure the project descriptions accurately reflect the features you have implemented.

CORE STRENGTHS

Problem-Solving • Quick Learner • Teamwork • Communication • Willingness to Learn
